

VECRA is seeking a Full-Time

REGISTERED NURSE CASE MANAGER

VECRA, Inc. has a requirement for a devoted RN Case Manager who can start immediately to coordinate and advocate for our patients' care. The RN will be required to review patients' charts, and to meet with families as well as healthcare providers to establish the most suitable course of action.

ROLES and RESPONSIBILITIES

To ensure success as an RN you should be able to remove pertinent logistical burdens from patients to ensure that they are afforded the time and space to focus on their health. Ultimately, a remarkable RN will establish warm and meaningful ties with each patient and their family.

- Conducting intake assessments with patients and families.
- Able to conduct 30, 60, 90-day follow-up visits
- Familiar with Medicaid protocol
- Familiar with DMAS forms
- Ensuring that families feel sufficiently equipped and supported.
- Developing individualized treatment plans that account for physical, and other constraints.
- Adjusting treatment protocols, as needed.
- Suggesting and coordinating appropriate follow-up services to promote wellness.
- Meeting with members of healthcare teams to discuss patients' progress, and to deliberate on appropriate care.
- Provide project support for multiple and simultaneous projects based on patient location
- The personnel will be experienced in all aspects and qualified in their respective functional areas.
- Tactfully handle all contacts and work closely with stakeholders to achieve successful outcomes.
- Travel to various patient home locations required

QUALIFICATIONS and REQUIRED SKILLS:

- Certificate in community and/or hospital case management.
- Prior experience as an RN within a similar healthcare facility.
- Driver's license and own vehicle, or have access to reliable vehicle.
- Familiarity with Google drive; patient databases.
- Strong understanding of ethics surrounding the storage of patient information.
- Exceptional leadership, supervision, and motivational skills.
- Committed to promoting patients' well-being.

- Good time management skills.
- Excellent communication skills both verbal and written.
- Works well independently and is a team player.
- Good planner and proficient in time management.

EDUCATION

- Bachelor's degree in nursing.
- Advanced degree in nursing is strongly advantageous.
- Certificate in community and/or hospital case management.
