### Charlisa R. Watson, MHSA

Founder and Chief Executive Officer

Ms. Watson is an award-winning senior leader with more than 30 years of management and consulting healthcare experience. As a former U.S. Army nurse, she dedicated most of her entire career to serving disadvantaged and vulnerable population groups and is a recognized leader in the healthcare and nonprofit space. Before founding VECRA, Ms. Watson founded the award-winning CRW & Associates LLC realizing \$80M in sales before it was acquired in November 2020. Ms. Watson successfully led multiple multi-million-dollar enterprises, including while working for United Healthcare, and has extensive experience serving private and public sector companies, employers, and state and local government officials.
