

VECRA is seeking a Full-Time

SAP BTP Solution Architect-Sr

VECRA, Inc. seeks an SAP BTP Solution Architect-Sr to support Amtrak's business operations and strategic initiatives.

COMPANY DESCRIPTION

VECRA, Inc. is a service-disabled veteran-owned small business (SDVOSB), woman-owned small business (WOSB), minority business enterprise (MBE) consulting firm implementing proven methodologies that help our clients drive growth, transform businesses, and innovate breakthrough ideas. VECRA's extensive experience with innovative software applications, reporting systems, facilities and supply chain management, program management and staffing support services are always:

Vigilant * Efficient * Collaborative * Responsive * Accurate

Job Description

The SAP BTP Solution Architect-Sr at Amtrak will be responsible for designing and implementing advanced SAP BTP solutions to support Amtrak's business operations and strategic initiatives. This role involves leading the architecture and integration of SAP solutions, ensuring they align with organizational goals and enhance operational efficiency. The Solution Architect will work closely with stakeholders to understand business requirements, develop technical solutions, and oversee the deployment and optimization of SAP BTP applications

ROLES and RESPONSIBILITIES

- Design and architect SAP BTP solutions that meet business needs and integrate seamlessly with existing systems.
- Collaborate with business and IT teams to gather requirements and translate them into technical specifications.

- Oversee the implementation, customization, and optimization of SAP BTP applications.
- Provide expert guidance on SAP BTP best practices, architecture principles, and technical strategies.
- Manage the technical aspects of project delivery, including system integration, data migration, and performance tuning.
- Ensure solutions are scalable, secure, and compliant with industry standards and regulations.
- Support the development of technical documentation and train end-users as needed.

QUALIFICATIONS and REQUIRED SKILLS:

- 10+ years of SAP solution services experience.
- Hands-on experience managing enterprise-wide programs.
- Experience with C-Net or cable television services
- Proven track record in designing and deploying complex SAP solutions.
- Strong analytical and problem-solving skills, with the ability to address technical challenges.
- Excellent communication and interpersonal skills, with experience working with cross-functional teams.

EDUCATION

- Bachelor's degree in computer science, Information Technology, or a related field

OTHER

- **Duration:** Until 01/31/2025
- **Req Type:** Nationwide
- **Salary:** Determined based on experience and education
- **Location:** Hybrid; Washington, DC
- **Travel:** As needed

BENEFITS

We offer a competitive benefits package for full-time employees to include paid holidays, paid time off, medical and dental.

VECRA, Inc. is an equal opportunity and affirmative action employer. VECRA is committed to administering all employment and personnel actions on the basis of merit and free of discrimination based on race, color, religion, sex, sexual orientation, gender identity, national origin, protected veteran status, or disability.

VECRA maintains a drug-free workplace and performs pre-employment substance abuse testing and background checks, where permitted by law.
