

## **VECRA is seeking Full-Time**

### **MDs – Medical Doctors (all levels: entry, mid, senior)**

VECRA, Inc. seeks MDs – Medical Doctors (all levels: entry, mid, senior) that are highly skilled and compassionate.

#### **COMPANY DESCRIPTION**

VECRA, Inc. is a service-disabled veteran-owned small business (SDVOSB), woman-owned small business (WOSB), minority business enterprise (MBE) consulting firm implementing proven methodologies that help our clients drive growth, transform businesses, and innovate breakthrough ideas. VECRA's extensive experience with healthcare management, healthcare staffing, reporting systems, facilities & supply chain management, program management and administrative staffing support services are always:

**Vigilant \* Efficient \* Collaborative \* Responsive \* Accurate**

#### **Job Description**

The ideal candidates will have a strong commitment to providing exceptional patient care, a thorough understanding of medical practices, and the ability to work in a collaborative environment. Whether you are an entry-level physician eager to start your career, a mid-level doctor looking to expand your expertise, or a senior doctor with years of experience, we offer opportunities for professional growth and development.

#### **ROLES and RESPONSIBILITIES**

- Provide comprehensive medical care to patients, including diagnosis, treatment, and follow-up care.
- Perform and assist in medical procedures as required, adhering to established protocols and guidelines.
- Educate patients and their families about medical conditions, treatment options, and preventive care.
- Work closely with other healthcare professionals, including nurses, specialists, and support staff, to ensure coordinated and effective patient care.
- Maintain accurate and detailed patient records, including medical histories, treatment plans, and progress notes.
- Ensure all medical practices and procedures comply with legal and regulatory requirements

- Stay up-to-date with the latest medical research, techniques, and best practices through continuous education and training.

### **QUALIFICATIONS and REQUIRED SKILLS:**

- Entry-Level
  - Active and unrestricted medical license to practice
  - 0-2 years of experience in a clinical setting.
- Mid-Level
  - Active and unrestricted medical license to practice
  - 3-7 years of experience in a clinical setting.
- Senior-Level
  - Active and unrestricted medical license to practice
  - 8+ years of experience, including leadership roles.
- Strong diagnostic and problem-solving abilities.
- Excellent communication and interpersonal skills.
- Ability to work effectively in a team-oriented environment.
- Compassionate and patient-centered approach to care.
- Proficiency in electronic medical records (EMR) systems.

### **EDUCATION**

- Entry-Level: Doctor of Medicine (MD) degree from an accredited medical school.
- Mid-Level: Doctor of Medicine (MD) degree with additional certifications or specialized training.
- Senior-Level: Doctor of Medicine (MD) degree with extensive experience and advanced certifications or fellowships.

### **OTHER**

- **Location:** Various across the US
- **Salary:** Determined based on experience and education

### **BENEFITS**

We offer a competitive benefits package for full-time employees to include paid holidays, paid time off, medical and dental.
