

VECRA is seeking a Full-Time

Microsoft D365 Finance & Operations (F&O) - Retail/Commerce Dev Engineer

VECRA, Inc. is seeking a Microsoft D365 Finance & Operations (F&O) - Retail/Commerce Dev Engineer to manage and enhance D365 F&O systems, focusing on retail and commerce functionalities. The role involves handling code fixes, configuration, testing, and support for MPOS, as well as managing interfaces and deployments.

COMPANY DESCRIPTION

VECRA, Inc. is a service-disabled veteran-owned small business (SDVOSB), woman-owned small business (WOSB), minority business enterprise (MBE) consulting firm implementing proven methodologies that help our clients drive growth, transform businesses, and innovate breakthrough ideas. VECRA's extensive experience with innovative software applications, reporting systems, facilities and supply chain management, program management and staffing support services are always:

Vigilant * Efficient * Collaborative * Responsive * Accurate

Job Description

The Microsoft D365 Finance & Operations (F&O) - Retail/Commerce Dev Engineer will be responsible for enhancing and supporting D365 F&O Retail/Commerce systems, including configuration, code fixes, and testing. Key duties include supporting MPOS, handling interface issues, managing deployments, and performing root cause analysis.

ROLES and RESPONSIBILITIES

- D365 F&O HQ enhancements (code fixes, configuration) and regression testing
- Support for D365 F&O Retail/Commerce MPOS, including configuration, fixes, and upgrades
- MPOS API interfaces support and customizations
- Support D365 HQ interfaces with Amtrak's Revenue Accounting systems
- Configuration and troubleshooting of POS setups (printers, displays, scanners, etc.)
- Manage testing, release, and technical documentation
- Conduct root cause analysis and client interactions
- Manage requirements, risks, and stakeholder expectations

QUALIFICATIONS and REQUIRED SKILLS:

- 8+ years of experience with Microsoft Dynamics 365 F&O - Commerce/Retail support
- Experience with D365 F&O Commerce/AX 2012 Retail implementations and support
- Proficiency in Microsoft .NET, Microsoft SQL Server, SSRS, and similar tools
- Experience with rollouts, deployments, upgrades, and incident management tools like ServiceNow
- Strong knowledge of Finance & SCM domains
- Flexible with work hours and good at stakeholder management
- Strong presentation, communication skills, and multi-vendor environment experience

OTHER

- **Duration:** 12 Months
- **Salary:** Determined based on experience and education
- **Location:** Remote with quarterly onsite in Washington, District of Columbia

BENEFITS

We offer a competitive benefits package for full-time employees to include paid holidays, paid time off, medical and dental.

VECRA, Inc. is an equal opportunity and affirmative action employer. VECRA is committed to administering all employment and personnel actions on the basis of merit and free of discrimination based on race, color, religion, sex, sexual orientation, gender identity, national origin, protected veteran status, or disability.

VECRA maintains a drug-free workplace and performs pre-employment substance abuse testing and background checks, where permitted by law.
